

# Yatsufusa

*Capsicum annuum*

- Yatsufusa is a hot specialty pepper that originated in Japan and is also known as Chile Japonese.
- They have a flavor similar to cayenne or Thai peppers.
- The 2-3" long fruits are harvested both green (mild heat) and red. The mature, dried fruits are ground and used in shichimi togarashi, a popular spice blend.

## Spicy Thai Noodles

Recipe found in: *The Official Cookbook of the Chile Pepper Institute*, page 141.

Spicy Thai noodles are a delicious representation of Thai cuisine, known for their fiery heat and bold flavors. These noodles feature a harmonious blend of spices and fresh ingredients, offering a satisfying balance of sweet, tangy, and spicy notes. Perfectly complemented with a variety of proteins and garnished with fresh herbs, they promise a flavorful culinary adventure in every bite.
